v.

Case No. 12-cr-130-1-SM

Frederick V. McMenimen, III,
Defendant

O R D E R

After hearing, and crediting the expert opinion testimony provided by Albert M. Drukteinis, M.D., J.D., and in light of the government's concession, I find by a preponderance of the evidence that the defendant, Frederick V. McMenimen, III, is presently suffering from a mental disease or defect rendering him mentally incompetent to the extent that he is unable to assist properly in his defense. 18 U.S.C. § 4241(d).

Defendant is committed to the custody of the Attorney General for hospitalization and treatment in a suitable facility for such reasonable time, not to exceed four months, as is necessary to determine whether there is a substantial probability that in the foreseeable future he will attain the capacity to permit the proceedings to go forward. 18 U.S.C. 4241(d)(1).

SO ORDERED.
